

SIT103/SIT772: Database Fundamentals

5.2C: Quiz 1

Overview

As a part of this task, you are required to complete Online Quiz 1 released via the unit's CloudDeakin site under "**Assessment/Quizzes**". The Quiz assesses your understanding of **topics/materials covered in the first four weeks (Week 1 to Week 2 inclusive)** – Introduction to Database, Relational Database, Conceptual/Logical Modelling, Entity Relationship Diagram (ERD) and Normalisation.

The quiz will be released at the start of Week 5 and remain open for ONE WEEK until the end of Week 5. There will be 20 questions of True/False, Multiple/Choice, and/or fill in the blanks. **You are required to score at least 80%** (16 out of 20 questions correct). **You have two attempts within the week** to score the required score. In each attempt, once you start the quiz, **you will have 1.5 hours (90 minutes) to complete it.**

Tasks to do

Complete Quiz 1 released via the unit's CloudDeakin site. Make sure you scored at least 80% in one of the two attempts.

Submission Requirements:

Submit a screenshot of the completion of Quiz 1 with the score of 80% or more.

Submission Due

The due for each task has been stated via its OnTrack task information dashboard.
